

STARTING DAYS 2026

FACULTY OF SCIENCE AND MEDICINE

Master Students

- **Bioinformatic and Computational Biology**
14 September | 8:15-10:00 | Room will follow
- **Computer Science**
11 September
8:15 – 9:15 | Welcome to the University (optional) | PER22, Auditorium Joseph Deiss
9:15 – 10:30 | Coffee Break and information stands
11:00 – 12:00 | Information about Master in Computer Science | PER21, room B130
- **Digital neuroscience**
14 September | 16:00-17:00 | PER21, room A303
- **Dynamics in Glaciology and Geomorphology**
14 September | 10:00-11:00 | PER14, room 223
- **Environmental Biology**
14 September | 9:15-10:00 | PER04, room 0.110
- **Environmental sciences and humanities**
Environmental humanities and Sustainable studies
11 September
8:15 – 9:15 | Welcome to the University (optional) | PER22, Auditorium Joseph Deiss
9:15 – 9:55 | Coffee Break and information stands
9:55 – 11:00 | Campus tour, information session about the masters | Start in front of PER22
18 September
10:15-12:00 | Lecture Principles of environmental ethics | PER14, room 0.026
15:15-16:00 | Information session about the Masters | PER14, room 2.226
16:00-17:00 | Aperero of the Institute | PER14
- **Experimental biomedical research**
14 September | 8:45 | PER21, Room G414
- **Geography**
14 September | 10:00-11:00 | PER14, room 223
- **Human medicine**
14 September | MED16
- **Molecular life and health sciences**
14 September | 9:15-10:00 | PER04, room 0.110
- **Nature, Society and Politics**
14 September | 10:00-11:00 | PER14, room 223

- **Sport**

8:15 – 9:15 | Welcome to the University | PER22, Auditorium Joseph Deiss

9:15 – 9:55 | Coffee Break

10:00-11:30 | Information about Sport Science Master | PER21, room E230

- **Other masters**
